

## **Mirror - Clear, Low Iron, Bronze, Grey**

*Consider clear or low-iron mirror to enhance the brightness of the mirror and to display a truer color rendering of the objects reflected.*

*Tinted mirror (grey or bronze) offer a dramatic—or more cozy effect while still providing reflected light and images.*

*Inquire on beveled mirror strips to finish your look.*

**Clear Mirror**

**Low Iron Mirror**

**Grey Mirror**

**Bronze Mirror**
